We are thankful for the opportunity Patrick had to share the ministry, and our friend *Luther Wright* to share his powerful **testimony of God's grace** with the Gerald Jones Auto Group Family. Luther once played basketball for *Seton Hall University and the Utah Jazz*. After years of battling addictions and mental health struggles, the **Lord brought him to Garden City Gospel Mission where he trusted *Christ as Savior***.

We would be honored to visit your church and share how the Lord is transforming lives at Garden City Gospel Mission—**reach out today!**

Please keep our longtime kitchen coordinator *Lee Zellman* in your prayers, as he has recently been diagnosed with cancer and began treatments.

Each Friday morning, Garden City Gospel Mission welcomes about 25 guests, men and women for pastries, showers, clothing and hygiene items and most importantly - building relationships and showing we care! That's more than 1,200 visits each year. Every Friday is a fresh opportunity to meet needs and share the love of Jesus—one meal, one shower, one life at a time.
